after third stanza, we play a long solo.
Guitar starts, other instruments may follow.
We repeat the basic blues pattern from first stanza all over again from now, till the song ends.

4) It's 6pm already,
and the group is buggin' me.
It's 6pm already,
and the group is buggin' me.
Been working 30 hours,
but they just won't let me be.

5) In the evenin' round 9 fifteen,
all I see is blue-screen.
In the evenin' round 9 fifteen,
all I see is blue-screen.
Why is this fuckin' demo crashin'?
Must be that interrupt routine.

6) It's closin' in on midnight,
and I finally see the light.
It's closin' in on midnight,
and I finally see the light.
Just have to link the music,
and it will be al right.

after sixth stanza, we play another long solo.
Second guitar starts, other instruments may follow.

7) I woke up this morning,
and had QWERTY on my face.
I woke up this morning,
and had QWERTY on my face.
The party is over,
folks leavin' the place.

One more round of 12 bars, with final solo from guitar.
